COLLOQUIUM SPECIAL WORKSHOPS

Each year as part of the Colloquium series, the committee organizes additional workshops to provide needed information and resources for graduate students. The following are examples of current and past workshops, many of which are hosted annually. See the Schedule of Guest Speakers & Workshops on our Colloquium page.

Pedagogy Seminar Series
IRB/Human Subject Review Workshop
Library Resources & Tools Workshop
GFIS Workshop
Simpson Center for the Humanities Resources
Journal Publishing Workshop
