GRADUATION

GRADUATION POLICIES AND PROCEDURES

Congratulations on completing your graduation application. Please note: completing this form does not mean you have graduated; you only graduate when you satisfy all departmental and general education requirements and complete 180 credits. Once you meet those requirements this should be the last form you need to file in order to graduate on your specified date.

Filing this form entitles you to two quarters' worth of priority registration, which you must use on the first registration day of each of the next two quarters.

You must either graduate in the quarter listed on your graduation application or you must change your intended graduation quarter. Failure to either graduate or change your graduation quarter will result in a block on your registration. If you want to change your quarter of graduation or discuss ways to finish your degree elsewhere, contact Geography Advising.

UW COMMENCEMENT CEREMONY

Students who earned a degree in Autumn 2019, or Winter 2020, or have applied to graduate with a departmental adviser for Spring 2020 or Summer 2020, are eligible to participate in university's June 13, 2020, graduation ceremony. The Commencement event will list the names of graduates from Summer 2019 through Spring 2020. While Summer 2020 graduates may participate in this year's Commencement, their names will not be listed in a program until the following year's Commencement. Beginning in May, you will be directed to a website to order caps and gowns, rings, graduation announcements, etc. For all pertinent ceremony information, please visit Commencement 2020: Celebrating Worldwide.

DEPARTMENT OF GEOGRAPHY CONVOCATION

The Department of Geography Convocation will be held online on Thursday, June 11, at 2:00 PM Pacific Time and will be available to stream at your convenience after that time. In the next few weeks we will send an email invitation with more details to recent alumni who earned a degree in Autumn 2019 or Winter 2020, and current students who have applied to graduate in Spring 2020 or Summer 2020. Please pay careful attention to your email inbox – and check your SPAM/Junk mail folders regularly – to be sure you receive this invitation!

We welcome your feedback or suggestions about the Department of Geography Convocation, so please feel welcome to email geogadv@uw.edu if you have any ideas to share with us.
