INFORMATION TECHNOLOGY

LAB INFORMATION & HOURS

The Drop-In Laboratory (Smith 415), Collaboratory (Smith 415C), and Sherman Lab (Smith 401) each contain Windows PCs running a suite of common GIS and office software. A valid UW NetID is required for login. See the list of available software for details.

The Collaboratory and Sherman Labs also host courses. The Sherman Lab may be used during scheduled course times ONLY at the instructor's discretion. Visit the Geography Calendaring page for to view lab course schedules and reservations.

Note: The Sherman Lab is closed for re-design until mid-November 2019. The Collaboratory and Drop-In will remain open.

LAB HOURS

Fall, Winter, and Spring academic quarters:

- Monday through Thursday: 8:15 a.m. to 9 p.m.
- Friday: 8:15 a.m. to 4:30 p.m.
- Saturday: Closed
- Sunday: Noon to 5 p.m.

During Summer A/B sessions, only the Drop-In Lab is available:

- Monday through Friday: 8:15 a.m. to 4:30 p.m.
- Saturday, Sunday: Closed.

Labs are closed on all University holidays and during breaks.

TECHNICAL SUPPORT

Need help? Lab technical support is available. If you are having trouble with a computer in one of the labs, email geoghelp@uw.edu. Please include the workstation name (see label on the front or right side of the PC) along with any error messages and a description of the problem.
